9. Shri Ashok Kandoi
10. Shri Deepak M. Balkawade
11. Shri Mahesh Jain

The agenda mainly focused on issues related to find ways for conduction of term 2025-2027 elections. Almost every member shared their views, and there was unanimous agreement that we must now move forward rather than remain bound by the past.

It was suggested that a joint meeting should be held with both the CECs, DRRC members with the Headquarter Office bearers to finding the acceptable procedure to be adopted for undisputed elections.

While these ideas are still at a preliminary stage, there was complete consensus on one crucial point—that the solution to problem lies not in the Court, but within our own Nehru Place Headquarter Office. It is our collective responsibility to resolve the matter here itself amicably.

Another significant matter discussed was related to insurance. The President explained that the issue of non-submission of insurance data by the Branches inspite of best possible efforts by HQ staff and office bearers. After deliberation, the Headquarter office bearers unanimously decided that we should immediately recover whatever amount is refundable from the insurance and withdraw completely from this process and close the policy with Insurance company.

The next online meeting to continue the discussions on any convenient date after deliberation among all office bearers.

Thanks & Regards,

Team Headquarters
